Sir:

In response to the Notice of Abandonment dated July 8, 2010, enclosed are the
following:

Under 37 CFR 1.137(b);
2. Amendment; and
3. A copy of the Notice of Abandonment dated July 8, 2010.

Statement

Applicants hereby submit that the entire delay was unintentional. The Office Action
dated 3/25/09 was sent the location of the former offices of the law firm responsible for
prosecuting this application. At that time, the law firm had relocated and U.S. Mail had

stopped forwarding mail to the new address. The Office Action was returned to the Patent Office as undeliverable. The Patent Office resent the Office Action on December 16, 2009 and it was again returned to the Patent Office as undeliverable.

The undersigned was informed that this application was abandoned on July 8, 2010. July 8, 2010 was the first time the undersigned was made aware that an Office Action had been issued for this application.

Contrary to the assertion in the Interview Summary of June 30, 2010, the undersigned was not present for the interview. Rather, another attorney of the undersigned's law firm fielded the call and did not inform the undersigned about the call.

In the event the Commissioner of Patents deems that any extension fee or otherwise is required in connection with this application, please charge it to Deposit Account No. 09-0447 maintained by Applicants' Attorneys.

Respectfully submitted,
